

Lucky7 Data Classifier Privacy Policy

Lucky7 understands the importance of ensuring the privacy of all the data and information for all our customers that will be used through our software. This privacy policy will explain how our organization uses the personal data we collect from you when you use our website.

What Information About Customers Does Lucky7 Gather?

The information we learn from customers helps us create better and more accurate classifications that in turn helps benefit the customers over time. This information will only be used for the purpose of classification and data visualization. Here are the types of information we gather.

- **Information You Give Us:** When you provide the .CSV files during the upload stage of the data classifier.

Does Lucky7 Share the Information It Receives?

Information about our customers is an important part of our business, and we are not in the business of selling it to others. We share customer information only as described below.

- **Protection of Lucky7 and Others:** We take extra precautions to make sure that our customer's information is not shared with others. There is additional security protocol for sensitive information. We will release personal information when we believe release is appropriate to comply with the law and other agreements; or protect the rights, property, or safety of Lucky7, our users, or others. This does not include selling, renting, sharing, or otherwise disclosing personal identifiable information from customers for commercial purposes in violation of the commitments set forth in this Privacy Notice.
- **With Your Consent:** Other than that what is set out above, you will receive notice when information about you might go to third parties, and you will have an opportunity to choose not to share the information.

How Secure Is Your Personal Information?

- The information is not stored unless specifically exported into a file for the convenience of the user. Once the classifier has analyzed the data, it will no longer be stored by the system. Following the completion of the analysis, it can be exported and then removed.

Notices and Revisions

Our business changes constantly, and our Privacy Policy will change also. We may e-mail periodic reminders of our notices. Unless stated otherwise, our current Privacy Policy applies to all information that we have about you. If you have any questions about Lucky7's privacy policy, the data we hold on you, or you would like to exercise one of your data protection rights, please do not hesitate to contact us.
